nimbus · arts

a community-based nonprofit igniting artistic expression across Napa Valley

what is nimbash?

NIMBASH is an utterly original “arty party” including interactive art activities, live music and performance art, farm-to-table food and superlative wines, a sizzling fashion show, silent and live auctions, and an after-burner dance party. It’s become one of Napa Valley’s most celebrated events and sought-after tickets, selling out each year.

Your sponsorship will put your organization right in the middle of Napa Valley’s own arty party, NIMBASH – now in its 15th year. Each NIMBASH is a unique work of art in and of itself, with a fresh theme that carries through every detail. Over 450 art lovers, philanthropists, and community leaders from California and across the country join more than 100 Nimbus Arts’ artists for a celebration of art, wine, music, fashion and culinary creativity in the heart of the Napa Valley.

NIMBASH patrons enjoy a fabulous night that delights all the senses while also supporting Nimbus Arts, a St. Helena-based, community-led nonprofit, that ignites artistic expression and makes art accessible and available.

We hope to see you there!

***NIMBASH is the one event that I won’t miss.** It’s always so much fun to see the theme each year that they choose, the interactive art projects that we can participate in, and who can possibly not love the phenomenal over-the-top fashion show they do each year. I don’t know how they come up with ideas that top the year before – but for me it’s one of the best things to look forward to each year.*
